STEF partner of the « CIBUSèITALIA » pavilion dedicated to the Italian food industry at the World Fair « EXPO Milano 2015 »

STEF is the transport and logistics official partner of the « CIBUSèITALIA » pavilion at the World Fair « Expo Milano 2015 ». STEF will deliver fresh and frozen food, drinks and every item sold at the shop of the pavilion.

Federalimentare, the association representing the major players of the food industry in Italy, and Fiere di Parma, a major player in the event market in Italy, have pooled their expertise to open a pavilion iconic of the deep culinary Italian expertise. The « CIBUSèITALIA » pavilion will be the flagship of the Italian food industry, at the heart of the World Fair « Expo Milano 2015 », which will explore the theme “Feeding the Planet, Energy for Life”.

STEF has been a player on the Italian temperature-controlled transport and logistics market since 2005. This long-term presence gives STEF a recognized expertise in this market and a solid network of 24 platforms to help manufacturers and retailers serve the World Fair « Expo Milano 2015 » under the safest conditions.

Focus on STEF services from its dedicated platform in Milan:

- Fresh/ultra-fresh and frozen food products, seafood
- Drinks
- Inbound transport from all sources
- Around the clock deliveries 7 days a week to the World Fair
- Storage and order picking at the Milan STEF hub
- IT systems and UVAC registering procedures
- A single dedicated contact
