

Corporate Social Responsibility STEF confirms its EcoVadis Gold level

For the third consecutive year, STEF has been awarded the "Gold" level by EcoVadis' CSR rating platform. With a score of 72/100, an increase of 3 points compared to 2018, the Group ranks in the Top 1% of the most virtuous companies in all sectors.

This result reflects the Group's long-standing commitment to environmental issues, social responsibility, ethics and responsible purchasing. It rewards a structured and proactive CSR approach, quantified commitments, the implementation of tangible actions and precise reporting of its performance indicators.

Stanislas Lemor, Chairman and CEO of STEF, said: *"This recognition by an independent organization attests to the reality of our commitment, efforts and results in all areas of CSR. It also makes it possible to position STEF as a responsible European player with regard to all its stakeholders. Every day, our employees work hard to make CSR issues a real driver of progress and performance for our customers in the food industry, distribution and out-of-home catering".*

A propos de STEF – www.stef.com

STEF is the European leader in temperature-controlled logistics and transport services. Its mission is to be the link between the agri-food and consumer worlds. To this end, the Group carries chilled, frozen and thermosensitive food products from their production sites to their consumption sites under the best conditions in terms of food safety, lead time and quality. STEF offers its expertise to a large customer portfolio composed of agrifood manufacturers, retailers and out-of-home foodservice business to increase the efficiency of their supply chain in a sustainable way. The Group has a turnover of more than €3 billion, close to 240 sites across 7 countries and employees 18,000 people. STEF company is listed on Euronext Paris.
